

FOR IMMEDIATE RELEASE***DATAMETRICS™ CORPORATION NAMES MICHAEL E. MARTYNIAK AS THEIR NEW DIRECTOR OF BUSINESS DEVELOPMENT***

ORLANDO FL – September 14, 2007 - DataMetrics™ Corporation (OTCBB: DMCP) welcomes Michael E. Martyniak to its Senior Management Team as their new Director of Business Development.

Mr. Martyniak brings over thirty years of outstanding experience ranging from a Sales Account Manager for companies servicing the military and high-reliability industrial markets, to his tenure as a program manager supporting the US Army Strategic Defense Command and the facilities at the US Army Kwajalein Missile Range . Most recently, Mr. Martyniak while with EMA Sales, Inc. introduced many industry leading suppliers to DataMetrics™ expanding business into new opportunities and strategic markets.

Major accomplishments include re building territories to successful operating levels, establishing a life-long list of business relationships, and the update the US Army's missile seeker simulation facilities located at Redstone Arsenal prior to the Gulf War.

As the New Business Development Manager, a primary focus will be on sales growth, business strategies, and new vertical markets. Additional focus will be placed on DataMetrics™ new Soil & Aggregate Mining (SAM) market and the fire/first responder business through the use of partnerships, current products, and services.

About DataMetrics™

DataMetrics™ designs, develops and manufactures Tempest, MIL-spec, RCOTS and COTS displays, printers, embedded and rack mountable computers, **TuffRider™** line of touch-screen computers, ATR and rack mountable VME and CompactPCI chassis, and unique customer requested products. Since our founding in 1962, we have been committed to the success of mission-critical deployments in any theater of the world - under adverse conditions from the vibration of aircraft, to heat and blowing desert sand tank environment, to the explosive gases and dust found in mining operations and oil rigs.
